

Footpath BUC/33/1 from the road alongside Buckingham RUFC to Moreton Road

Lack of signs to indicate the public footpath BUC/33/1 from the road alongside Buckingham RUFC to Moreton Road

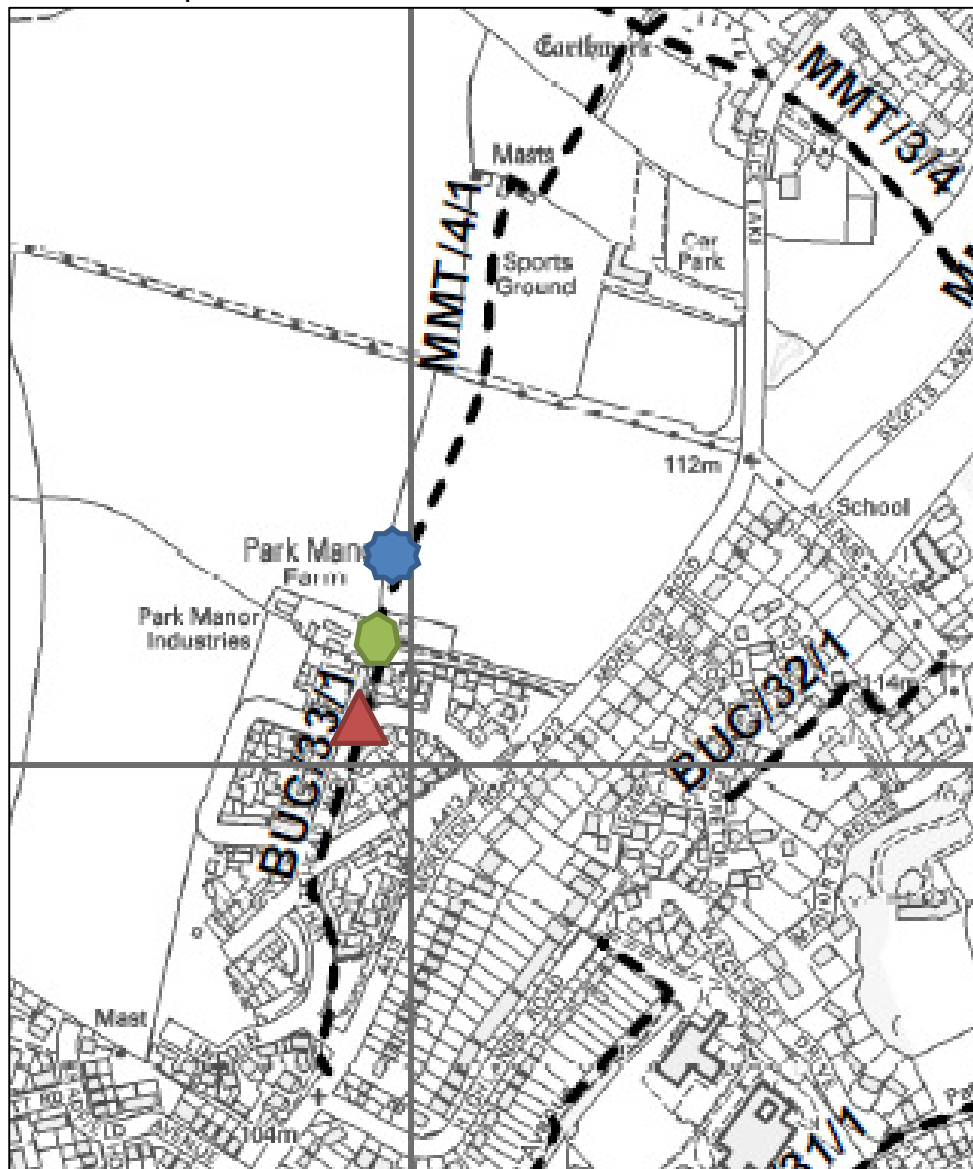

The footpath BUC/33/1 that is now open after the completion of the 80 dwellings between the road alongside Buckingham RUFC and the track access to Park Manor Industries has no signs.

There are old signs on the road alongside Buckingham RUFC but from this road to the Moreton Road there are no other signs I could find.

Below is a map showing the locations of the pictures (blue/ green/ red)

Following this map are the pictures taken in January 2017 at the three locations.
